AUGUST 2021

Summer SLICE in full swing at RNI

On July 6th, RNI, Inc. began its Summer SLICE program. The program is designed for area middle school and high school students to work with a number of local businesses in the area. This program has the youth work as volunteers in the community, learning life skills and teaching them recreational activities in the area. Some of the events and instruction over the last several weeks were ice cream and miniature golf at Kelly's Dairy Bar, sewing on a button, painting, a visit to RNI's own City Garden Café for lunch and a tour, volunteering for trail maintenance at Gorman Nature Center, learning about budgets and finances from Directions Credit Union. Other events included visiting the SNAP kitchen where they made pizza and decorated cupcakes, Sean Laird, Support Specialist, spoke about Project STIR (Steps Toward Independence and Responsibility), visiting The Independent Living Center of NCO, Exithis (conquering the escape room), tour of the Mansfield Fire Department and finally a demonstration on how to do laundry at Sunlite Tanning and Storage.

Trillium Event Center hosts the Bucyrus Rotary Auction

The Bucyrus Rotary Club held their delayed 2020 Auction at the Trillium Event Center on July 31st. There were tickets sold in advance for the event and they also had some online auctions that closed at 4 pm the day of the event. All those in attendance for the event enjoyed a great meal catered by Carle's Bratwurst, Inc. There were a number of awesome items up for bid for this annual event. The attendees enjoyed fellowship and were talking about the next auction to be held at Trillium in April of 2022. Thank you to the Rotary for choosing Trillium to host your event.
