## Dierksheide celebrates his 87th Birthday

Charlie celebrated a birthday recently and is currently the oldest person being served at RNI. Charlie loves to work and plans to keep working as long as he can. He uses the money he earns to visit his niece in Florida each year. Charlie wants to thank everyone who made and sent cards to him. He received 29 cards and really enjoyed them. Charlie celebrated his recent birthday at a local restaurant with his friends.

## ***RNI buildings are ready for the Christmas season***

All RNI locations are getting the buildings decorated for the Christmas season. Shown here in the top left is Peggy decorating a tree at our Bucyrus location. Ida and B.J. are helping to decorate "All I want for Christmas is..." shown in the bottom right hand photo which invites everyone to write what they would like for Christmas. The other photo is of course of Good Old Saint Nick in our workshop area at 4th Street for everyone to enjoy! Thank you to all that helped make the building a little more festive for the holidays!

***SAFETY starts with S, but begins with YOU...***

***RNI Safety TOPIC for December: Cold Weather Safety Tips***

# COLD WEATHER SAFETY TIPS

1

## WEAR LAYERS!

Many layers trap more heat than just a big jacket alone.

2

## HATS AND GLOVES!

Most of the body's heat loss occurs in these extremities so keep them covered.

3

## STAY DRY

Water compounds any cold weather situation and dramatically speeds up heat loss. For example, wet feet lose heat 25 times faster than dry feet!

4

## TAKE A BREAK

Take frequent, short breaks in a warm dry shelter to let your body heat up.

5

## FEED!

Eating warm, high-calorie foods will give your body the energy it needs to create body heat.

YES = pasta, warm sugar water/sports drink, etc.  
NO = coffee, alcohol, hot chocolate, soda.

## *Smith shows off his woodworking talents*

Support Specialist Heather Gibson wanted to showcase the very talented Jack Smith. Jack came into her office to show her this model house that he built in just two weeks. He was super proud of it and should be. Anyone who knows Jack recognizes his talent in working with wood, so it's no surprise that he could produce something so detailed. Jack is also a contracted artist with the Element of Art Studio/Gallery and has previously created wooden bowls, a cuckoo-clock and a semi-truck with working parts. Thank you for sharing your talents with us Jack!
