JUNE 2020

Darren Harris graduates from MSHS

Darren Harris is a recent high school graduate of class 2020 who has worked very hard to be where he is today. Darren loves to play video games, doing push-ups, going to parks and spending time with his father. His favorite color is red and he loves the NBA Atlanta Hawks basketball team. Darren has been a part of RNI starting last August and we recently started providing services for him again. Darren is a hard worker and hopes to work at Walmart in the electronic department, at a gas station or becoming a mechanic. He loves being around people, is very outgoing, likes to ask a great deal of questions and is exceptionally independent. Darren is a fast learner and is very curious on what is going on in the world today. He enjoys rock music and scary movies. Everyone help us congratulate Darren on his success!

There will be no onsite activities at any of the RNI, Inc. locations.

Job Coaches spruce up the flowerbeds at 971 Longview

Job Coaches, Shawnee Smith and Keara Stillwell have worked hard on cleaning up the flower beds at the FedEx building. After pulling all the weeds, they divided perennials, added some new annuals, and covered the beds with fresh mulch! The building entrance looks so much nicer and more welcoming now! Thank you both for tackling this project!

Mark gets new wheelchair to increase his independence

Mark got a new wheelchair that he is able to drive himself. He's so excited and is doing a great job practicing everyday to learn how to operate it. He now asks daily to go for a walk. He's so PROUD! It has also helped him so much with stretching out his muscles, which in turn has made him able to move better with very little to no complaint of pain. Enjoy Mark!

Harding Home is keeping the people we serve very busy

The ladies at Harding Home are preparing for summer. They have been busy helping make their home bright and cheery. Everyone is staying home and keeping safe. Weather permitting they have taken walks outside and enjoying the great outdoors. Although some have not been able to get out, the ladies have spoke with their families. Maxine has wrote Dale two letters and is waiting for him to write back. Kathy has talked with her brother and also received a package from her brother, boy did she light up when she got his package. Leona is learning to recognize the different birds in the back yard. Cindy is getting excited for her upcoming birthday. Anne has been busy walking around inside and outside. The individuals want to tell everyone "Hello" from Harding Home.

RNI, Inc. Lawn Crew is glad to be back to work

The RNI, Inc. lawn crew is back and in full swing. The only thing stopping them is all of the rain that we have been having the last couple of weeks. The crew even worked the Saturday prior to Memorial Day to get the yards completed for the week. Pictured here is top left on the Zero Turn is Luke, top right is the entire crew from L to R, Dean, Jamar, Giovanni, Job Coach Rick Ackerman and Luke. Bottom left is Giovanni showing his skills on the Zero Turn mower and in the bottom right is Jamar weed eating at one of our customers. Thank you to Rick and the lawn crew for being flexible and working hard to keep our customers satisfied.
