RNI, Inc. Crawford County location gets an outdoor cleanup

Shelly Schifer, Support Specialist, Heather McLaughlin, Administrative Support Associate and Danielle King, Van Operator assisted with the weeding, cleanup and new mulch that was applied at our Crawford County location. Shelly even located a rock and small statue that was used to make the beds look even better. Since this photo, the bed behind Shelly has been weeded and mulched as well. Shelly again comes to the rescue by placing some ceramic planters with annuals for that bed as well. As you can see in the before and after photos below, there was plenty of weeding and shrub trimming to be done prior to mulching. RNI Chatter would like to thank you all for your hard work in the hot sun on two different days.
